## SEGHESSIO 2015

Sonoma County, California

Zinfandel

### 90 Points - Wine Spectator

*This is loaded with zesty blackberry and raspberry fruit, offering a vibrant structure and appealing accents of toasted sage, white pepper and licorice. Drink now through 2027.*

**1/2 Bottle 28~ Bottle 50~**

## QUILCEDA CREEK 2008

Columbia Valley, Washington

Cabernet Sauvignon

### 91 Points - Wine Spectator

*The Quilceda Creek lineup begins with the 2008 Red Wine made up of 81% Cabernet Sauvignon, 13% Merlot, with the balance Cabernet Franc and Malbec. Aromas of cedar, spice box, mineral, incense, black currant, and blackberry inform the nose of a ripe, savory, smooth-textured wine. In the glass it displays more minerality, excellent volume, and enough structure to evolve for 1-2 years. Enjoy this first-class effort now through 2020.*

**Bottle 85~**

## SHAFER 2004

Napa Valley, California

Merlot

### 92 Points - Wine Spectator

*Ripe, juicy plum, blackberry and wild berry fruit is lively, plush, well-proportioned and highly distinctive, finishing with a burst of fruit and pretty toasty-oak shadings.*

**Bottle 90~**

## LONG SHADOWS 'SEQUEL' 2004

Columbia Valley, Washington

Syrah

### 93 Points - Robert Parker

*The 2004 Sequel Syrah is made by John Duval, for 15 years the winemaker of Penfolds Grange, Australia's most famous Shiraz. The fruit was sourced from five vineyards encompassing several AVAs and includes 3% Cabernet Sauvignon in the final blend. Ninety percent of the wine was aged for 18 months in small French oak. Purple/black in color, this superb Syrah offers grilled meat, bacon fat, game and wild blueberry aromas and flavors. On the palate the wine is spicy, layered, and plush with soft tannins and enough acidity to hold things together. This hedonistic effort can be enjoyed now but will easily last for 20+ years. Kudos to Alan Shoup for directing a project in which every wine (and winemaker) turned in an outstanding performance.*

**Bottle 94~**

## LONG SHADOWS 'PEDESTAL' 2013

Columbia Valley, Washington

Merlot, Cabernet, Petit Verdot

### 94 Points - Robert Parker

*Aged 22 months in 85% new French oak, its deep purple color is followed by fabulous notes of plums, coffee beans, spice box and sweet oak in a full-bodied, decadent, ripe and expansive package. In general, Cabernet was more successful than Merlot in 2013, but you wouldn't know it by tasting this beauty. Drink it anytime over the coming decade.*

**Bottle 120~**

## CORRA 2009

Napa Valley, California

Cabernet Sauvignon

### 94 Points - Wine Spectator

*A rich, expansive Cabernet, with tiers of black and blue fruits joined by currant, melted licorice, mocha and cedar flavors. Yet for all its size and density, this offers the finesse and grace found in the best 2009s. Best from 2013 through 2023. 375 cases made.*

**Bottle 200~**

## STAGLIN FAMILY VINEYARD 2004

Rutherford, Napa, North Coast, California

Cabernet Sauvignon

### 97 Points - Robert Parker

*A striking, provocative, complex set of aromatics jump from the glass of this dense plum/purple-colored wine. Beautiful plum, anise and black currant fruit characteristics are found in this voluptuously textured, opulent, full-bodied wine. This compelling effort from the Staglin Family appears to be close to full maturity given its impressive aromatics and silky mouthfeel, but its impeccable balance suggests it will last another 15+ years.*

**Bottle 220~**

## SAXUM 'BROKEN STONES' 2012

Paso Robles, California

Syrah

### 97 Points - Robert Parker

*The 2012 Syrah Broken Stones is a beauty. Made from 79% Syrah, 7% Petite Sirah and the rest Grenache, Mourvedre and Roussanne, it offers up full-bodied, decadent, yet incredibly pure notes of creme de cassis, smoked earth, pepper and violets. Seamless and silky, yet with a great mid-palate and notable tannin, it needs 2-3 years of bottle age and will have 15 years or more of overall longevity.*

**Bottle 300~**

## BERGSTROM 'SIGRID' 2011

Willamette Valley, Oregon

Chardonnay

### 91 Points - Robert Parker

*offers generous lime, tangerine and pineapple deftly folded into butter cream, with honey, nut pastes and lanolin adding to both the textural patina and finishing complexity of a vibrant and delightfully buoyant performance. A hint of wet stone in the finish helps set off the rich and luscious elements.*

### ABADIA RETUERTA 2012

Castilla y Leon, Spain

Tempranillo, Cabernet, Syrah

**93 Points - Robert Parker**

*The texture is very fine with dusty tannins, good acidity and freshness. It is long, balanced and supple, with power and elegance. The wine is approachable now and with stuffing to age. It is a great value and highly recommended.*

**Bottle 64~**

### PINGUS 'PSI' 2013

Ribera del Duero, Spain

100% Tempranillo

**91 Points - Robert Parker**

*The percentage of Garnacha has grown to around 10%, while the rest is, of course, Tempranillo. The wine has a fruit-driven profile, fresh and clean, developing some notes of flowers and red berries. Once it's in contact with air for some time, it opens up (so decanting the wine in advance might be a good idea), and is more approachable than the previous vintage. This could be a lighter year that drinks quite well and was a real triumph over nature.*

**Bottle 75~**

### MAS DOIX 'SALANQUES' 2013

Priorat, Spain

Garnacha, Carinena, Syrah

**93 Points - Robert Parker**

*The 2013 Salanques is a blend of old-vine Garnacha (65%) and Cariñena (25%) and young-ish Syrah (10%) fermented in stainless steel with neutral yeasts and matured in 50/50 new and second use French oak barrels. This has the complexity, depth and concentration of the top wines from many wineries. It's not particularly powerful, on the contrary, it is built on elegance and balance, with fresh aromas and a refined palate. It has clean, focused and pure aromas and flavors with very good acidity and very fine tannins. This is just great.*

**Bottle 78~**

### QUINTA SARDONIA 2011

Castilla Leon, Spain

Proprietary Blend

**93+ Points - Robert Parker**

*2011 is extremely ripe and the wine reached 15.4% alcohol, but it doesn't show. It starts quite lactic, with notes of fruits-of-the-forest yogurt, spicy and lush, with no noticeable oak. The wine needs plenty of time and air, so decanting it in advance is a good idea. The palate is full-bodied, but it has very good balance and acidity, a special liveliness provided by the mineral, chalky, drying sensation of the texture. A soil-driven red of character.*

**Bottle 105~**

### MACAN 'BENJAMIN DE ROTHSCHILD & VEGA SICILIA' 2010

Rioja, Spain

Tempranillo

**93+ Points - Robert Parker**

*In its second vintage, the Grand Vin 2010 Macan has a very Rioja profile, subtle aromas of forest floor, spices, blackberries (in fact a mixture of red and black fruit) and a lactic touch with smoky undertones plus hints of leather and ink. The palate shows good depth and is clean, focused, structured and balanced. Some earthy hints, somehow mineral, show through on this modern Rioja showing classical proportions: a clean, finely crafted Rioja.*

**Bottle 140~**

### TORRE MUGA 2009

Rioja, Spain

Tempranillo, Mazuelo, Graciano

**92+ Points - Robert Parker**

*Raised for 16 months in French oak and inspired by the family's respect for Bordeaux, the 2009 Torre Muga has a very primal bouquet with creme de cassis, black currant and vanilla with fine delineation. The palate is full-bodied with grippy, bold, assertive tannins and layers of dense black, mocha-tinged fruit with hints of white pepper. It has great power and volume without compromising balance.*

**Bottle 140~**

### NUMANTHIA 2011

Toro, Spain

100% Tempranillo

**92 Points - Robert Parker**

*The 2011 Numanthia is a powerful and concentrated Tempranillo with abundant aromas of peat, tar, shoe polish and ripe dark fruit with hints of minerality and a marked earthiness. The palate is warm, with noticeable alcohol that seems to coat the tannins while the acidity is barely enough to provide freshness for such an amount of glycerol. With time, the aromas are clearly from the barrel: dark chocolate, espresso coffee and toasted bread. XXL for sure, for fans of the style.*

**Bottle 142~**

### MALLEOLUS DE SANCHO MARTIN 2009

Ribera del Duero

100% Tinto Fino

**97-100 Points - Robert Parker**

*The 2009 Malleolus de Sanchomartin was tasted from a barrel sample. Opaque purple in color with lovely floral aromas, Asian spices, and incense, on the palate it effortlessly combines power with elegance. It has superb grip, great volume, and plush, succulent fruit. It has the structure to evolve for 8-10 years and should drink well through 2040.*

**Bottle 230~**

### RAFAEL PALACIOS 'AS SORTES' 2012

Valdeorras, Spain

100% Godello

**93 Points - Wine Spectator**

*This white shows precision and energy, with bracing acidity fueling focused flavors of pear, heather, mineral and smoke. Seamless and lively, with alluring stony and floral notes that mingle beautifully on the long, fresh finish. Drink now through 2020. 80 cases imported.*

**Bottle 65~**
